**Coronavirus Scam Warning**

**Watch out for these fake Tesco emails**

Action Fraud has received 20 reports about fake emails that purport to be from Tesco. The email states that the supermarket is offering free vouchers during the coronavirus outbreak. The link in the email leads to a genuine-looking phishing website that is designed to steal login credentials as well as personal and financial information. Don't click on the links or attachments in suspicious emails and never respond to messages that ask for your personal or financial details.
