-----------------	---

<p>OBSERVATIONS:</p>	<p>While in principle the Town Council recognise the need for a surgery, we object to the application due to the lack of clarity and details provided, specifically failing to fully address our previously submitted concerns.</p> <p><i>The design of the building is not in keeping with the area.</i></p> <p><i>The proposed building would be overlooking the properties in King Edward Road which could result in a loss of privacy, light, and result in overshadowing.</i></p> <p><i>As highlighted by the holding objection of the Highway Authorities Director of Highways & Transportation the proposal does not include sufficient parking facilities.</i></p> <p><i>The proposal would result in an increase in vehicular movements which would result in an increase in air pollution.</i></p> <p><i>The proposal would increase highway safety issues on the already busy dual carriageway.</i></p> <p><i>The proposal contravenes the Stone Parish Council Neighbourhood Plan.</i></p>
<p>DA/23/01091/LBC</p>	<p>Application for Listed Building Consent for installation of a lectern-style interpretative plaque in the pub garden to the rear of the building, adjacent to the jetty wall to commemorate the 175th anniversary of the Sir John Franklin Northwest Passage expedition.</p> <p>Sir John Franklin, High Street, Greenhithe.</p>
<p>OBSERVATIONS:</p>	<p>The Town Council support the application and request that the applicant keep the Town Council fully informed of any events held to recognise the installation of the interpretative plaque.</p>
<p>DA/23/00654/FUL</p>	<p>Erection of a two-storey side/rear extension and single storey rear infill extension to form extended veterinary surgery at the ground floor (Use Class E(e)), pet grooming parlour (sui generis) and formation of 1 No. 2 bed apartment (Use Class C3a), plus demolition of rear ancillary outbuildings and provision of associated amenity space and car parking.</p> <p>Veterinary Practice, 41-43 Swanscombe Street, Swanscombe.</p>
<p>OBSERVATIONS:</p>	<p>The Town Council notes the internal changes to the application but, this has not addressed the issues previously raised by the Town Council and that these still apply:</p> <p><i>The Town Council request that, should planning permission be granted, a condition is included that requires the applicant to provide a detailed planting scheme that shows it will have a</i></p>

	<i>positive impact on the environment in line with the preliminary ecological appraisal. The Town Council strongly urge that the applicant must take into account, and include mitigating provisions regarding the environmental impact on, and the needs of, the community for their development and, where possible, include the provision of EVCP's.</i>
