Alley attack victim lucky to escape

The victim of a vicious alleyway attack has warned others to be on their guard.

Lauren Croucher, 19, above, was grabbed by the arm and dragged into an alleyway as she walked along Knockhall Road in Greenhithe, after leaving her boyfriend's house.

She struggled and shouted and was able to break free from her attacker and escape back onto the main road. Describing her ordeal, she said: "I got off the bus and was walking to my house which is literally a two or three minute walk.

"He only had one intention as I ran away with my phone and bag still intact but please warn your family and younger members about this. It makes me so angry and scared to think this could have happened to anyone and that the man is still out there."

Miss Croucher suffered serious bruising to her face in the attack, and posted an appeal on Facebook to track down her assailant.

Police are hunting the masked man, who targeted Miss Croucher around 8pm on Wednesday of last week.

The man, who was wearing a black hoodie, black gloves and possibly a balaclava, fled down the alleyway. He is white, 30 to 40 years old, about 5ft 8in and of medium build.

Call police on 01474 366 149 quoting reference XY/50279/16, or Crimestoppers, anonymously, on 0800 555 111.

Dear Elizabeth

R.E. Anti-Social Behaviour and Crime throughout Swanscombe and Greenhithe

At a meeting of the Town Council our members discussed recent incidents of violent crime that have occurred affecting the residents of both Swanscombe and Greenhithe.

It was felt that an invitation for a member of Bluewater Management to attend a meeting of our Anti-Social Behaviour and Crime Sub-Committee would allow for an open discussion to explore ways that we can work together to address these types of incidents.

The Town Council will also be inviting representatives from the Police, Dartford Borough Council Community Support Unit and the local MP.

The meeting is scheduled to be held on Wednesday 11 January 2017 at 7.00pm in the Council Chamber at the Town Council offices and we would very much appreciate it if a representative from Bluewater were able to attend.

I look forward to your earliest response.

Yours sincerely

I have checked my records and the November crime log I receive from yourselves, and I am aware of the incident in Knockhall Road. I can respond far better if I have the opportunity to research incidents beforehand.

Also, can I ask that you remove Nicky Conyers from your records as she left DBC several years ago. Please copy any future correspondence to Community Safety Manager – Tony Henley – Anthony.henley@dartford.gov.uk

Hi Peter, further to your comments regarding the anti social behaviour on Ingress park. I have had my car badly damaged by rubble being thrown from lovers lane into the reed court car park. This smashed our windscreen and has dented our bonnet causing hundreds of pounds of damage. I have reported to the police but they said they could not do anything. Do you know who is doing the building work that has been

abandoned for 7 weeks now so I can complain to them and apply for compensation? Also lovers lane generally is overgrown and unsafe - do you know who manages the general maintenance of the lane? And lastly other residents have also advised that the kids in lovers lane have been seen throwing rubble and rocks into my garden. I have two young children who are often in the garden therefore this concerns me greatly and now has us considering selling up and moving. When a resident approached them and asked to stop they laughed and carried on. I have done all I can - contacted the police, first port, posted for neighbours to look out on the neighbourhood watch group, Greenhithe residents and reed court groups and asked the neighbourhood watch group to consider a large meeting again to discuss this anti social behaviour which seems to be spiralling out of control with the police to understand how we all best tackle it - but the coordinator did not support this. Any help to solve this on the estate before we feel the need to move would be helpful. Thanks

OK, so who wants to start 2017 off with a bit of "people power". The issue of car racing seems to be one of the major problems we are facing both in Greenhithe, Swanscombe and Stone (risk of further deaths and people being kept awake by screeching noises into the early hours of the morning - especially those living close to where it is being done at Crossways and Ebbsfleet roundabouts). In addition to this we had a young female resident in Greenhithe intimidated and threatened by them last night, and she ended up with her car damaged. If residents want to help solve this problem; then please SEND AN EMAIL TODAY stating your concerns to Matthew Scott (the Kent Police and Crime Commissioner) at "contactyourpcc@pcc.kent.pnn.police.uk". Matthew Scott says that he likes to get feedback from residents; so please give him some! If we can get a hundred emails to him before I meet them later in the week, I guarantee that there will be a dramatic change in attitude by the Police towards this issue. Please Cc me into your email at "harmanpeter@hotmail.com". Thank you in anticipation.

I am writing to give residents some feedback regarding the "car racing" that occurred last night on the Crossways Business Park Estate. I phoned Kent Police today to gather information on this criminal activity (incident number 30-1196). Kent Police said that they received about 20 calls during the evening from concerned residents. They attended twice during the evening, the first time they took particulars from two drivers at the scene; then in response to further calls about vehicle noise later in the evening they attended a second time - but found no vehicles there at that time. I will be discussing this with Kent Police next week; and also will be asking for it to be included as an agenda item at the forthcoming Anti-Social Behaviour and Crime Committee meeting at the Town Council. I feel very strongly about this issue, and believe that we urgently need to deal with this, especially in view of the hit and run death of the young man near to ASDA Greenhithe a few days ago. I hope that residents are able to support me on this!

Hello JLL,

I am trying to contact you on an urgent matter related to Quadrant Court, Charles Park, Crossways Business Park, Greenhithe, Kent; which I understand you are the managing agents for. I have telephoned your displayed 24 hour helpdesk number (020 7493 6040); and was played a recorded message which said that you are closed until 29th December. I find this disturbing for three reasons:

- (a) It is supposed to be a 24 hour helpline,
- (b) Today is the 30th December, and
- (c) It asks callers to leave a message but doesn't allow this to be done.

Please can you phone me as a matter of urgency on (01322) 382001. Thank you Peter Harman

85/15-16. **BEAT OFFICER AND POLICE COMMUNITY SUPPORT OFFICERS (PCSO) REPORT.**

Heritage Park, Swanscombe - A number of reports had been made of off road bikes again at the location. Officers have increased patrolling and have issued Section 59 warns to a number of vehicles when they have been located. This was an on-going issue at the location at certain times of the year. The local team would robustly deal with offenders but without the ingress and exits being altered to stop the bikes in the first place the problem would remain. All entrances to the site were large enough for motorbikes to get through. The Local team had made a bid for the Kent Police Off Road bike team to patrol the area. The RFO confirmed that a lot of research had gone into the type of gates that were installed at the site to ensure that they were anti-motorcycle but could also be accessed by pushchair and wheelchair users.

6 x gates - £654-00 - SEPT 2015
COMPLETED / INVOICE - NOVEMBER 2015.

Attachments: SGTC 5.JPG; SGTC 6.JPG

Please see the attached photos which would appear to indicate that the area is being used/abused by people taking legal highs.

Our street lighting contractor has also informed us that there is often a group of youths congregating at the entrance to the Heritage Park (by the flint column) when they are checking the lights (around mid-night).

Nb.

We have had the light that shines on the flint column vandalised twice recently.

I will ensure this is included in our next ASB & Crime Sub-Committee meeting agenda.

Yours sincerely,

Graham Blew

Subject: Knockhall School Zig Zags

Graham, I've spoken with Kit Weller of the CSU with whom I deal concerning Speedwatch. He's said he'll come back to me shortly. Please though, could this matter again be added to January's ASB agenda. It's clear that the occasional visit of the van is not addressing the problem and Simon is quite right when he says there needs to be a more sustainable and joint approach if we are to resolve this long term.

Thanks,
Peter.

Subject: Knockhall School Zig Zags

Hello Siobhan

There have been complaints again about parents parking on the zig zags outside Knockhall School, causing safety worries for those parents who do not park thus. I gather DBC's enforcement van does attend occasionally, but it's also said it doesn't always hang around long enough to fully address the issue. Parents say they have complained to the school, but staff appear reluctant to become involved due to abuse they themselves can attract. Is there any chance please that the police could visit this week to lend support? The school breaks up on Thursday 22 December.

Subject: FW: [Greenhithe Residents] Personally, I think that abusing the Highway Code...

Hello All,

Please see below the email extract from Facebook.

Graham, I think that this (i.e. illegal use of the bus lane) should be listed for discussion at the next ASB meeting please.

Kind regards

Peter

Personally, I think that abusing the Highway Code and clear signage by using the bus lane between the station and Ingress Park is bad enough. Speeding on to the bus lane without indicating and swerving at pedestrians in the middle of the road is taking it to another level. If you're the driver of a white Luton van, registration [REDACTED], or know the driver, details are now with the police with a report of dangerous driving.

Hi,

Thank you for your email enquiring about the local police.

I have just taken over as the Police Sergeant for Greenhithe, Stone, Swanscombe. The team and working practices have changed slightly.

You will have myself as the sergeant, PC Steve Coveney as the local PC, and 3 PCSO's: Steve Keers, Kim Andersen and Geena Beddoes.

I will pass on relevant contact details separately.

I would like to update yourselves with regard to the slight change in our work and to introduce myself, so will pop in at some point. If this is ok?
