Dear Sara,

ASB 5/6/13

Re: CSU Unit Multi-Agency Meetings.

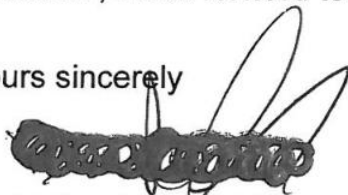

AGENDA ITEM 7

My apologies for the confusion regarding these meetings; I believe there has been a slight error in communication. The CSU Monthly Meeting for partners became every 6 weeks and then every 2 months in an effort to increase attendance, but eventually it was decided that it would be more productive if we simply extended an open invitation for partners (or other interested parties) to attend our daily Tasking & Co-ordination Group Meetings.

The most popular and well attended meetings tend to be on Tuesday and Thursday; all daily T&CG's commence at 09:30 and last between 15 and 30 minutes. Councillor Butterfill is most welcome to attend whenever she is available or would like to engage with the team; she just needs to report to the Civic Centre reception before 09:30 and inform the receptionist that she is here for the daily CSU meeting. An Officer will then escort her into the CSU Meeting Room, after the meeting she is also welcome to hold one to one discussions with any of the Officers or other partners present if she has matters to pursue.

I also agree that the wider our partnership becomes the more effective we all are in reducing crime and anti-social behaviour; to this end it is very important that as many partners and other agencies as possible engage with us on a regular basis. Please pass my apologies for the confusion onto Councillor Butterfill and extend my 'open invitation'; I look forward to meeting with her again shortly.

Yours sincerely

Dear Graham,

Firstly can I apologise for the non-attendance, I am not sure why that happened but I shall look into it.

However, can you send me the dates of all the future meetings so I can get them in our diaries and ensure attendance in the future.

It seems unusual that you did not have a response from anyone.

I shall be in touch.

Dear Chief Inspector and Inspector

Despite the email below, and attachment, being sent to the officers listed not one representative from the Police attended and no-one supplied any information or updates whatsoever. Even the Police Commissioner, Ann Barnes took the time to respond to let us know why she could not attend.

Could you please advise on why this happens and what can be done to try and engage with the Police to enable the Town Council to have dialogue and share experiences/information?
