384/14-15. ITEMS DEEMED URGENT BY THE CHAIRMAN / MATTERS ARISING FROM PREVIOUS MINUTES AND THEIR POSITION ON THE AGENDA.

The Vice-Chairman had requested updates on three items from the last meeting:-

1. The status of the letter regarding obstructive parking (Chief Inspector Woodward).

District Commander Woodward advised that the letter was now being used and any calls that the Police had to attend, the letter would be put on the vehicles windscreen. Inspector Woodward confirmed that he would provide the Town Council with a copy of the letter.

2. An update on the "Action Day" held in Swanscombe and the possibility of a similar event in Greenhithe;

Sgt Sarah Tyler advised that the Action Day was successful. There had been a great deal of engagement with the community and positive feedback had been received. A further "Action Day" was planned for Greenhithe and Stone on 24 – 28 March 2015 and Kent Police requested suggestions of areas within Greenhithe for them to target.

3. Communication of reported crimes via the Neighbourhood Watch Schemes

Discussion took place on how to improve communications. After a lengthy discussion on this subject, Commander Woodward suggested it might be better to look at the current systems and processes and see if they could be improved.

Members were also advised that the CSU unit at Dartford Borough Council had requested areas in Swanscombe and Greenhithe that could benefit from the assistance of the Community Payback team.

385/14-15. **TO CONFIRM AND SIGN THE MINUTES OF THE MEETING HELD ON 8 OCTOBER 2014.**

Recommended: That the Minutes of the Meeting held on 8 October 2014 be confirmed and signed as a true record.

386/14-15. **TOWN COUNCIL'S PROBLEM LOG.**

Members were provided with a copy of the incidents reported to the Town Council since the last meeting. Members were reminded that the Town Council should be made aware of any incidents reported to the police, in order for them to be added to the problem log. The RFO advised that the problem log was emailed monthly to the CSU at DBC and also to the Police.

Recommended: That the incident log be noted.

387/14-15. **BEAT OFFICER AND POLICE COMMUNITY SUPPORT OFFICERS (PCSO) REPORT.**

Sgt Sarah Tyler provided members with a report from PC Robert Payne. She confirmed that daily patrols had been attending the leisure centre in relation to calls received regarding groups of young people congregating at side of building causing anti-social behaviour. The incidents had stopped. The PCSOs had been concentrating on vehicles parking on the zig-zag lines in the High Street. She confirmed that mopeds and off road motorcycles were becoming a problem again and the anti-social behaviour car was therefore making a visible presence in the

area. She urged everyone to forward any details of motorcycles seen onto the Police. A drugs warrant had been executed in Ingress Park. A theft warrant had also been executed with two people being arrested. Operation Eliminate, an initiative to eliminate burglary had been running using Special Constables. With high visibility patrolling, there had been a noticed reduction in overnight crime. She confirmed the letter being issued to obstructively parked vehicles was in its early stages and would therefore report information regarding this at the next meeting. The Police also wished to progress the "Allotment Watch" initiative but there appeared to be no interest. Councillor B E Read advised that the council was meeting with the Allotment Association and would advise them of this initiative.

Recommended: That Sgt Tyler be thanked for attending the meeting, and that the report be noted.

388/14-15. **ANTI-SOCIAL BEHAVIOUR VIA DARTFORD BOROUGH COUNCIL, DARTFORD HOUSING SERVICES (DHS).**

An officer from DHS was not present and a report was not provided.

Recommended: That DHS be contacted to request a written report if an Officer was not able to attend the meeting.

389/14-15. **DARTFORD BOROUGH COUNCIL (DBC) – MULTI AGENCY MEETINGS.**

Councillor Mrs S P Butterfill advised that there had not been any multi-agency meetings. She confirmed that she attended the CSU the previous week and noted that the unit was being reorganised. She also confirmed that she would be attending the Community Alcohol Partnership project and that she had visited the community bus during the Gunn Road initiative.

Recommended: That the item be noted.

390/14-15. **KCC COMMUNITY WARDENS REPORT.**

KCC Community Warden for Swanscombe, Billy Unsworth was unable to attend the meeting but provided members with a detailed report on items that he had dealt with since the last meeting. The KCC Community Warden for Stone and Greenhithe, Christine Bates, advised that she had returned to the area following her secondment to Swanley. She gave an overview on the matters that she had been involved with since she had been returned to the area.

Councillor Ms L M Cross requested that it be recorded in the minutes, members thanks for the support that Billy Unsworth provided to the Council and the area.

Recommended: That the KCC Community Wardens be thanked for providing their reports and that they be noted.

391/14-15. **"WE'RE WATCHING YOU!" DOG FOULING CAMPAIGN.**

Councillor B R Parry had requested that this item be placed on the agenda for consideration. Members discussed the information/documents detailing the national

campaign launched at the beginning of the year and also the smaller campaign developed with parish and town councils in mind. Councillor Parry gave more detailed information regarding the campaign and advised that a new campaign would be launched on 16 March 2015. Members of the sub-committee would like the council to be involved in some way in the campaign and referred the matter to the Recreation, Leisure and Amenities Committee to progress forward.

Recommended: That the item be referred to the Recreation, Leisure & Amenities Committee to progress forward.

392/14-15. COMMUNITY CRIME MEETINGS.

Members received the minutes from the meeting held on 6 September 2014. Members noted that there were some mistakes in the minutes. Dartford Borough Councillor Steve Doran had contacted Sgt Sarah Tyler because the Police were not attending the meetings because of hostility received at previous meetings. Sgt Tyler confirm that they were going to discuss the format of the meeting and the possibility of changing the date and times of future meetings.

Recommended: That the item be noted.

393/14-15. DATE OF THE NEXT MEETING.

Recommended: That the next meeting be held on Wednesday 22 April 2015 at 7.00 pm, unless there was a requirement to call a meeting earlier and that the RFO, when dispatching the agendas to the outside representatives, also asks them to confirm their attendance.

394/14-15. EXCLUSION OF THE PRESS AND PUBLIC.

There were no confidential items to discuss.

There being no further business to transact, the Meeting closed at 8.00 pm.

Good Afternoon,

Please find below a summary of what the Community Policing Team for Swanscombe and Greenhithe has been involved in during May 2015. Please feel free to disseminate to the Town Council and Neighbourhood Watch.

May 2015

- PCSOs have been dealing with nuisance off-road motorbikes in Swanscombe Heritage Park. A number of Section 59 warnings have been issued to individuals and their bikes as a result. If the riders are stopped again and found to be using their vehicles illegally they risk prosecution and having their bikes seized.
- PCSOs located and seized a suspected stolen quad bike after reports were made to Kent Police of a quad bike driving around Swanscombe.
- The team has been dealing with anti-social behaviour within Greenhithe's car parks. As a result an individual was issued with a cannabis warning and a further individual was arrested for possession of a Class B drug.
- The team has been dealing with reports of anti-social behaviour within Ingress Park's car parks.

As the weather warms up, avoid leaving house doors and windows open or unlocked when working in the garden. Don't make your property an easy target.

I would like to thank our community for reporting issues to the team. Many of the incidents we have been dealing with recently have come from members of the community contacting us. Please be assured that any information provided to us will be kept confidential.
