6. HLF BID

A meeting of this sub-committee has not taken place since 4 September 2012 because of various organisational changes within Groundwork which have delayed the resubmission of the HLF bid. Members will be apprised at the meeting the details of these changes and the effect it has had with the bid being re-submitted. Groundwork will be in attendance at the meeting to discuss the bid and how to move forward. As there has not been a meeting of this sub-committee for just over 2 years, it will not follow the normal agenda and will concentrate solely on the bid.
