Dear Graham

I believe these signs are on site? Please let me know if they have been removed?

Subject: Signage at Castle Hill roundabout

Importance: High

Dear KHS

At its meeting last night, the Community Safety Committee asked that I contact you to see if there was any possibility of signage being installed at the roundabout to Castle Hill advising HGV drivers that the road ahead was not suitable for HGV's and that they should use the roundabout to go back and gain access to the A2. Whilst appreciating that not all HGV drivers were from the United Kingdom if the signage was in plain English this would at least "capture" the attention of the HGV drivers that were English reading and would reduce the amount of inappropriate large lorries attempting to go through the roads of Swanscombe. Signage at this roundabout is requested as it is the last opportunity to deter/stop lorries from gaining access to the roads of Swanscombe and the problems this causes.

Thank you for any assistance you can offer, and I will ensure your response is provided to members.

Yours sincerely,

Graham Blew
Town Clerk

405/24-25. ITEMS DEEMED URGENT BY THE CHAIRMAN / MATTERS ARISING FROM PREVIOUS MINUTES AND THEIR POSITION ON THE AGENDA.

There were none.

406/24-25. TO CONFIRM AND SIGN THE MINUTES OF THE MEETING HELD ON 4 DECEMBER 2024

Recommended: That the Minutes of the Meeting held on 4 December 2024 be confirmed and signed as a true record.

407/24-25. KENT POLICE REPORT.

Unfortunately, Kent Police were unable to attend but, in his absence, PC Adam Rafter had submitted a report which included:

A current Police priority was tackling vehicle theft. An update on enforcement levels in relation to HGV's moving through the town and issues with signage around the roundabout leading from Castle Hill. Patrols disrupting drug activity and suggestions of an increase in off-road motorcycle activity that did not match reporting levels.

PC Rafter had also submitted details relating to a Police Cadet initiative to survey vehicle users of Swanscombe High Street regarding parking choices. Members reviewed the proposed survey questions and asked for confirmation of the date of the survey so members could attend if possible.

Members asked that a request be sent to Dartford Borough Council (DBC) Parking Enforcement Team about the possibility of undertaking enforcement activity in the evening.

Recommended:

1. That PC Rafter be thanked for providing the report.
2. That a request be sent to DBC Parking Enforcement regarding undertaking activity in the evening on Swanscombe High Street
3. That a request be sent to Kent Highways regarding plain English signage on the roundabout at Castle Hill confirming no HGV access to Manor Way Industrial Estate.
4. To agree the survey questions proposed for the Police Cadet activity on Swanscombe High Street and request for the date so members could attend in support.

Good Afternoon Graham

Thanks for the email.

Evenings are difficult because staff are booking off for the day around 6pm. This means that they could not be in Swanscombe much later than 5.15 pm. To be fair visits do vary but in the main are during the daytime. There is of course the opportunity for overtime, but this is purely voluntary (and the costs would need to be covered by you) and I'm not sure there would be a great response from the staff.

Kind Regards
Martin

Martin

At its meeting last night, the Community Safety Committee asked that I contact you to see if there was any possibility of enforcement of the High Street in Swanscombe taking place in the evenings as they feel that this would be a more advantageous time ?

Although the Community Safety Committee appreciated the normal working hours of the Enforcement Team, they felt that targeting the High Street in the evening would be more productive.

Thank you for any assistance you are able to offer and I will ensure your response is provided to members.

Yours sincerely,
Graham Blew Town Clerk
